The Great American Nightmare

Rob Zombie

Dig deep down from Planet X, yeah Thirteen ghosts in the devil's head Step right up and feel the fire Hardcore love of the never dead

Call me the American nightmare Call me the American dream Call me your soul corrupted Call me everything you need

Yeah, motherfucker Yeah, who do you love Yeah, motherfucker Who do you love, yeah

Black boots stomp and penetrate, yeah Lust and death gone in your head Rat pack mind degenerated Thirteen ghosts sing the body red

Call me the dark intruder Call me the haunted sea Call me your Monster Zero Call me anything you need

Call me the American Nightmare
Call me the American dream
Call me your soul corrupted
Call me everything you need

Yeah, motherfucker Yeah, who do you love Yeah, motherfucker Who do you love, yeah

Call me the American Nightmare
Call me the American dream
Call me your soul corrupted
Call me everything you need

Yeah, motherfucker Yeah, who do you love Yeah, motherfucker Who do you love, yeah

Yeah, motherfucker Yeah, who do you love Yeah, motherfucker Who do you love, yeah
