

# The Man Who Laughs

Rob Zombie

Leave that boy behind  
Convict of our trades  
Steal the small ones  
Carved and homemade  
Transform children  
Flesh and living slaves  
Clowns and jesters are  
The ones you can not save

The man who laughs  
The man who laughs

Noble Jackals are  
Banished from England  
Pain of death proclaimed  
King James mighty hand  
Cold and hungry  
Tell me what's your name  
I'm not laughing cause  
I am Gwynplaine

The man who laughs  
The man who laughs

The man who laughs  
The man who laughs  
The man who laughs  
The man who laughs
