

Everything I Do Gonna Be Funky

Robben Ford

Everything I do gonna be funky!
Everything I do gonna be funky from now on, yeah
Everything I do gonna be funky from now on
I have to be myself and do my thing
A little soul can't do no harm, yeah

Everything I do gonna be funky from now on, yeah
Everything I do gonna be funky from now on, yeah
Everything I do gonna be funky from now on, yeah

Some may say I've got no class, but I'm doin' what I wanna do
So go with me if you can, or just do what you can do
Oh shucks! Why you whining? I'm on fire
Everything I do gonna be funky from now on, yeah
Everything I do gonna be funky from now on
Never before have I felt so good just being natural me
My little hang up and my little times, but deep inside I'm free
Let your hair down, get down wings
Who's to say what's right or wrong?

Everything I do gonna be funky from now on
Everything I do gonna be funky from now on
Everything I do gonna be funky from now on
Everything I do gonna be funky from now on
Everything I do gonna be funky from now on
Oh shucks! Do your thing!
