Breakin The Rules

Robbie Robertson

I tried to reach you On Valentine's Day But how can I reach you When you're so far away

Don't make me a victim Don't make me the clown With my arms reaching out And my head hanging down

We can't go on Touching the flame Breakin the rules Of the game

I bring you this cross I carved out of wood I'm just trying to tell you That I'd change if I could

Grew up on the west side Never even been to the east side Don't know what they do with their lives Over there over there

We can't go on Hiding the pain Breakin the rules Of the game

We can't go on Living in shame Breakin the rules Of the game
