Broken Arrow

Robbie Robertson

Who else is gonna bring you a broken arrow Who else is gonna bring you a bottle of rain There he goes moving across the water There he goes turning my whole world around

Do you feel what I feel
Can we make that so it's part of the deal
I gotta hold you in these arms of steel
Lay your heart on the line this time

I want to breathe when you breathe When you whisper like that hot summer breeze Count the beads of sweat that cover me Didn't you show me a sign this time

Who else is gonna bring you a broken arrow Who else is gonna bring you a bottle of rain There he goes moving across the water There he goes turning my whole world around

Can you see what I see
Can you cut behind the mystery
I will meet you by the witness tree
Leave the whole world behind

I want to come when you call
I'll get to you if I have to crawl
They can't hold me with these iron walls
We've got mountains to climb

Who else is gonna bring you a broken arrow Who else is gonna bring you a bottle of rain There he goes moving across the water There he goes turning my whole world around

Turning my whole world around Turning my whole world around Turning my whole world around Turning my whole world around
