Stomp Dance (Unity)

Robbie Robertson

In circles we gather Moonlight fires are kindled Sending it back We just make it go back

Beating hearts, beating hearts Come as one, come as one This is Indian country This is Indian country

Together we dance All the first nations There's no chance We ever gonna give up

Beating hearts, beating hearts Come as one, come as one This is Indian country This is Indian country

Going home, going home To a nation, six nations To all the faces I did not know

Beating hearts, beating hearts Come as one, come as one This is Indian country This is Indian country
