## **Stomp Dance (Unity)**

## **Robbie Robertson**

In circles we gather
Moonlight fires are kindled
Sending it back
We just make it go back

Beating hearts, beating hearts Come as one, come as one This is Indian country This is Indian country

Together we dance
All the first nations
There's no chance
We ever gonna give up

Beating hearts, beating hearts Come as one, come as one This is Indian country This is Indian country

Going home, going home
To a nation, six nations
To all the faces I did not know

Beating hearts, beating hearts Come as one, come as one This is Indian country This is Indian country
