

# Shine Your Light On Us

Robbie Seay Band

Oh, my God shine Your light on us  
That we might live  
And oh, my God shine Your light on us  
That we might live

I've been holding on  
And I've been holding on  
All that is inside of me  
Screams to come back me

And if you feel lost, if you feel lost  
Sing along  
And if you feel tired, if you feel tired  
Sing along

And if you feel lost and tired  
This is your song, yeah

And I've been broken down  
And I've been broken down  
But I ain't giving up  
Love will come back around

And if you feel lost, if you feel lost  
Sing along  
And if you feel tired, if you feel tired  
Sing along

And if you feel lost and tired  
This is your song, yeah  
If you feel lost and tired  
This is your song, yeah, yeah

Oh, my God shine Your light on us  
That we might live  
And oh, my God shine Your light on us  
That we might live

And if you feel lost, if you feel lost  
Sing along  
And if you feel tired, if you feel tired  
Sing along

Oh, if you feel lost and tired  
This is your song, your song, oh, no

Shine Your light, shine it down  
Let Your rescue come for us, we long to love  
Shine Your light, shine it down  
Let Your rescue come for us now

And if you feel lost  
Sing along  
And if you feel tired  
Sing along
