Sleep

Robbie Seay Band

Woke myself up from a dream to see you there
The most beautiful sight I'd seen
And if I could wake you now and tell you one thing
I'd say I'm sorry for the pain you felt

Sleep a peaceful sleep and we'll be okay
Watching you is sleep enough for me
And dream your dream and we'll be okay
Watching you is sleep enough for me
Sleep enough for me
Sleep enough for me

If I never loved you I'd have never lived
And if I never lived I'd never know your touch
Never known your scent and never known your smile
I'd never know you never know me

I wish I had the words that would charm the world
But I could speak for hours and never have loved
So don't let these words get in the way
I need you
