

Angels

Robbie Williams

1. I sit and wait.

Does an angel contemplate my fate
And do they know the places where we go
when we're grey and old.

Cuz I have been told that salvation
lets their wings unfold.

So when I'm lying in my bed,
thoughts running through my head,
and I feel that love is dead.

I'm loving angels instead.

R: And through it all she offers me protection,
a lot of love and affection, whether I'm right or wrong.
And down the waterfall wherever it may take me,
I know that life won't break me.
When I come to call, she won't forsake me.
I'm loving angels instead.

2. When I'm feeling weak

and my pain walks down a one way street,
I look above and I know

I'll always be blessed with love.

And as the feeling grows she breathes flesh
to my bones and when love is dead,

I'm loving angels instead.

R: And through it all... (2x)
