

# Angels

Robbie Williams

1. I sit and wait.

Does an angel contemplate my fate  
And do they know the places where we go  
when we're grey and old.

Cuz I have been told that salvation  
lets their wings unfold.

So when I'm lying in my bed,  
thoughts running through my head,  
and I feel that love is dead.

I'm loving angels instead.

R: And through it all she offers me protection,  
a lot of love and affection, whether I'm right or wrong.

And down the waterfall wherever it may take me,  
I know that life won't break me.

When I come to call, she won't forsake me.

I'm loving angels instead.

2. When I'm feeling weak

and my pain walks down a one way street,

I look above and I know

I'll always be blessed with love.

And as the feeling grows she breathes flesh  
to my bones and when love is dead,

I'm loving angels instead.

R: And through it all... (2x)
