

# Bully

Robbie Williams

Never test the temper of a patient man  
You've been tryin to be understood & boy do I understand  
When you die, the world's gonna be lighter  
See the heart of the champion, thru the, eye of a tiger

I simply don't care, if you hate me or love me  
Pass me the pistol; shoot the bully  
hooo haa..##..hooo haa..##..hooo haa..##  
The bully the bully the bully the bully  
hooo haa

Had to hurt myself!  
Shot myself again!  
I can't make it up!  
The bully, the bully, the bully, the bully

I'm 'amake it go away  
I'm 'amake it disappear  
Hell is empty mama; the devil's here  
Look at you walkin round like you're some kind of gen i us  
Feel the steel, go tell it to jesus

I've seen your soul; man it's so ugly  
C\*ck the pistol; shoot the bully  
hooo haa..##..hooo haa..##..hooo haa..##  
"the bully, the bully, the bully, the bully  
hooo haa

Had to hurt myself!  
Shot myself again!  
I can't make it up!  
the bully, the bully, the bully, the bully

I've seen your soul; man its so ugly  
If they wanna know, tell them;  
I shot the bully
