

Eternity

Robbie Williams

Close your eyes so you don't feel them
They don't need to see you cry
I can't promise I will heal you
But if you want to I will try
To sing this summer serenade
The past is done we've been betrayed
It's true
Some might say the truth will out
I believe without a doubt in you
You were there for summer dreaming
And you gave me what I need
And I hope you find your freedom
For eternity, for eternity
Yesterday when we were walking
You talked about your mum and dad
What they did that made you happy
What they did that made you sad
We sat and watched the sun go down
Then picked a star before we lost the moon
Youth is wasted on the young
Before you know it's come and gone too soon
You were there for summer dreaming
And you gave me what I need
And I hope you find your freedom
For eternity
For eternity
You were there for summer dreaming
And you are a friend indeed
And I hope you find your freedom
Eventually
