

# Go Gentle

Robbie Williams

You're gonna meet some strangers  
Welcome to the zoo  
Bitter disappointments  
Except for one or two  
Some of them are angry  
Some of them are mean  
Most of them are twisted  
Few of them are clean

Now when you go dancing with young men down at the disco  
Just keep it simple  
You don't have to kiss though

Don't waste time with the eejits that think that they're heroes  
They will betray you  
Stick with us weirdos

For all your days and nights  
I'm gonna be there  
I'm gonna be there yes I will  
Go gentle through your life  
If you want me I'll be there  
When you need me I'll be there for you

Don't try to make them love you  
Don't answer every call  
Baby be a giant  
Let the world be small  
Some of them are deadly  
Some don't let it show  
If they try and hurt you  
Just let your daddy know

Now when you go giving your heart make sure they deserve it  
If they haven't earned it  
Keep searching it's worth it

For all your days and nights  
I'm gonna be there  
I'm gonna be there yes I will  
Go gentle through your life  
If you want me I'll be there  
When you need me I'll be there for you

Go gentle to the light  
I'm gonna be there  
I'm gonna be there yes I will  
If all your days are nights  
When you want me I'll be there  
Say my name and I'll be there for you
