Go Gentle

Robbie Williams

You're gonna meet some strangers Welcome to the zoo Bitter disappointments Except for one or two Some of them are angry Some of them are mean Most of them are twisted Few of them are clean Now when you go dancing with young men down at the disco Just keep it simple You don't have to kiss though Don't waste time with the eejits that think that they're heroes They will betray you Stick with us weirdos For all your days and nights I'm gonna be there I'm gonna be there yes I will Go gentle through your life If you want me I'll be there When you need me I'll be there for you Don't try to make them love you Don't answer every call Baby be a giant Let the world be small Some of them are deadly Some don't let it show If they try and hurt you Just let your daddy know Now when you go giving your heart make sure they deserve it If they haven't earned it Keep searching it's worth it For all your days and nights I'm gonna be there I'm gonna be there yes I will Go gentle through your life If you want me I'll be there When you need me I'll be there for you Go gentle to the light I'm gonna be there I'm gonna be there yes I will If all your days are nights When you want me I'll be there

Say my name and I'll be there for you
