

It's Only Us

Robbie Williams

And they want us to grow up
We don't want to get a job
We all need a decent rock
Where it's all Kicking off

Baby it's alright Baby it's alright
You don't need to call it off
Baby it's alright Baby it's alright
It's Only Us

We just stopped for cheaper thrills
Since the price went up on pills
From Stoke-On-Trent to Beverley Hills

We know it's all Kicking off
Baby it's alright Baby it's alright
You don't need to call it off
Baby it's alright Baby it's alright
It's Only Us
It's Only Us

Baby it's alright Baby it's alright
You don't need to call it off
Baby it's alright Baby it's alright
It's Only Us
It's Only Us
