It's Only Us

Robbie Williams

And they want us to grow up We don't want to get a job We all need a decent rock Where it's all Kicking off

Baby it's alright Baby it's alright You don't need to call it off Baby it's alright Baby it's alright It's Only Us

We just stopped for cheaper thrills Since the price went up on pills From Stoke-On-Trent to Beverley Hills

We know it's all Kicking off Baby it's alright Baby it's alright You don't need to call it off Baby it's alright Baby it's alright It's Only Us It's Only Us Baby it's alright Baby it's alright

You don't need to call it off Baby it's alright Baby it's alright It's Only Us It's Only Us
