

Lazy Days

Robbie Williams

Lazy Days
Calling to you
Come out to play
The future lies with you
Now you can be sure
Love is the cure
What we're searching for
Is to have
A jolly good time

Crazy days
But you'll get me through
And here I'll stay
Holding on to you
Now you can be sure
Our thoughts aren't pure
We'll unlock the door
And we will have (and we will have)
A jolly good time

It can happen in any season
We don't need any reason
To sit around and wait
The world could change in a second
So I find the sunshine beckons me
To open up the gate and dream
And dream

Lazy days
Don't let them get you down
Wear your smile
I don't want to see you frown
Don't let them get you down
It can happen in any season
We don't need any reason
To sit around and wait
The world could change in a second,
So I find the sunshine beckons me,
To open up the gate and dream
And dream

Then we will have
Then we will have
A jolly good time

Time, Time, Time
Yeah Yeah Yeah Yeah.....
