## Me and My Shadow

## **Robbie Williams**

Johnny and Robbie What you talking like that for, you're from Stoke! I dunno but I can't stop here pally

Like the wallpaper sticks to the wall Like the seashore clings to the sea Like you'll never get rid of your shadow You'll never get rid of me

Let all the others fight and fuss Whatever happens, we've got us.

(Me and my shadow) We're closer than pages that stick in a book We're closer than ripples that flow in a brook (Strolling down the avenue) Wherever you find him, you'll find me, just look Closer than a miser or the bloodhounds to Liza

Me and my shadow We're closer than smog to all of L.A. We're closer than Ricky to confessing he's gay?? Not a soul can bust this team in two We stick together like glue

And when it's sleeping time That's when we rise We start to swing Our clocks don't chime What a surprise They ring-a-ding-ding! Happy New Year!

(Me and my shadow) And now to repeat what I said at the start They'll need a large crowbar to break us apart We're alone but far from blue

Before we get finished, we'll make the town roar We'll hit a few late spots, and then a few more We'll wind up at Stringy's and maybe Groucho's Life is gonna be we-wow-whee! For my shadow and me!

Can we do that again No, I'm too tired Please Rob No, I'm swung out I'll give you some money I don't need money What about a cup of tea Not thirsty I'll won't tell anyone you're gay.

Before we get finished, we'll make the town roar We'll hit all the late spots, and then a few more We'll wind up at Stringy's and maybe Groucho's Life is gonna be we-wow-whee! For my shadow and me!
