

Misunderstood

Robbie Williams

1. Tryin' to be misunderstood
But it doesn't do me any good
Love the way they smile at me
Held that face for eternity
Now let them all fly off

*: When it comes down
It all comes down
You will not be found
When its over
It's all over
Even if I make a sound

R: I'll be misunderstood
By the beautiful and good in...This city
None of it was pla-anned
Take me by the hand
Just don't try and understand

2. Try to be misunderstood
Just a product of my childhood
And still I find myself outside
You can't say I haven't tried
Perhaps I tried too hard

*: No excuses
I won't apoligise
Or justify your lies
Come find me
Tell them to me
Look me in the eyes

R: I'll be misunderstood...

Can't forgive sorry to say
You don't know you're guilty anyway
Isn't it funny how we don't speak
The language of love
