

Nan's Song

Robbie Williams

You said when you'd die that you'd walk
with me every day
And I'd start to cry and say please don't talk that way
With the blink of an eye the Lord came
and asked you to leave
You went to a better place but He stole you
away from me

And now she lives in heaven
But I know they let her out
To take care of me

There's a strange kind of light
Caressing me tonight
Pray silence my fear she is near
Bringing heaven down here

I miss your love I miss your touch
But I'm feeling you every day
And I can almost hear you say
"You've come a long way baby"

And now you live in heaven
But I know they let you out
To take care of me

There's a strange kind of light
In my bedroom tonight
Pray silence my fear she is near
Bring your heaven down here

You taught me kings and queens
While stroking my hair
In my darkest hour I know you are there
Kneeling down beside me
Whispering my prayer

Yes there's a strange kind of light
Caressing me tonight
Pray silence my fear
She is near
Bringing heaven down here
The next time that we meet
I will bow at her feet
And say wasn't life sweet
Then we'll prepare
To take heaven down there
