

# Nan's Song

Robbie Williams

You said when you'd die that you'd walk  
with me every day  
And I'd start to cry and say please don't talk that way  
With the blink of an eye the Lord came  
and asked you to leave  
You went to a better place but He stole you  
away from me

And now she lives in heaven  
But I know they let her out  
To take care of me

There's a strange kind of light  
Caressing me tonight  
Pray silence my fear she is near  
Bringing heaven down here

I miss your love I miss your touch  
But I'm feeling you every day  
And I can almost hear you say  
"You've come a long way baby"

And now you live in heaven  
But I know they let you out  
To take care of me

There's a strange kind of light  
In my bedroom tonight  
Pray silence my fear she is near  
Bring your heaven down here

You taught me kings and queens  
While stroking my hair  
In my darkest hour I know you are there  
Kneeling down beside me  
Whispering my prayer

Yes there's a strange kind of light  
Caressing me tonight  
Pray silence my fear  
She is near  
Bringing heaven down here  
The next time that we meet  
I will bow at her feet  
And say wasn't life sweet  
Then we'll prepare  
To take heaven down there
