## **Robbie Williams**

i'm a gigolo, i'm joseph, i'm a sad lad in song i'm everybody that i know and being known for being wrong and if i'm not mistaken this is my heart breaking i'm the man that threw it all away destiny is calling, telling me to be boring and i don't care anyway, gonna be nobody someday gonna be nobody someday i'm the demon that you fear i'm the joker, i'm the thief i'm the lonesome cowboy ridin' i'm the indian chief gotta watch my figure boy, if i get much bigger they'll stick a pin in me and i'll blow away but i get richer while they take my picture taking my soul away gonna be nobody someday gonna be nobody someday i'm a moonlight serenade i'm your bed when you are cold i'm the captain of Titanic i'm the passenger in the hall from the way i'm thinking we'll both be sinking i knew before we sailed away hit the tip of my eagle it's all you saw anyway gonna be nobody someday gonna be somebody gonna be somebody, la la la
