

# Our Love

Robbie Williams

Just Like We Told Ya  
Our Love Is Better Than Their Love  
We Can Make You Famous  
Why Don't You Come And Join Us

You Don't Need Anyone To Know  
That You Exist  
You Don't Want Anyone To Know  
You Can't Resist

All This Time  
All Those Breath  
All This Hanging Around  
All This Hopes  
All This Fears  
All This All This

Our Love Is Better Than Their Love  
We Could Give You More Love  
Just Not Enough Of  
This Thing Called Love, Love

Do You Believe Their Love Will Make  
Everything All Right?  
Do You Believe Stars Disappear  
When It Gets Light?

All This Dreams  
All This Lies  
All That Sleeping Around  
More Receptions  
Empty Rooms  
All This  
All This

Our Love Is Better Than Their Love  
We Can Make You Famous  
Why Don't You Come And Join Us  
Why Don't You Come And Join Us  
Why Don't You Come And Join Us  
Why Don't You Come And Join Us

Aren't We Cruel  
Isn't It All So Cruel  
The Things We Do With Love  
And The Things We Do Without Love

You Don't Need Anyone To Know  
That You Exist  
You Don't Want Anyone To Know  
You Can't Resist

Just Like We Told Ya  
Our Love Is Better Than Their Love  
We Can Make You Famous

Why Don't You Come And Join Us

Why Don't You Come And Join Us  
Why Don't You Come And Join Us  
Why Don't You Come And Join Us  
Why Don't You Come And Join Us

You Want Love You Got It  
You Got Love You Want It
