

# Sensitive

Robbie Williams

I can't analyze that love  
'Cause you turned the beat to thunder  
You're 25 below  
Don't it make you wonder why

Lets get it on and on and on and on  
Lets get it on and on and on  
Lets get it on and on and on and on  
Girl I don't know why you're not h.a.p.p.y

So you wanna find a real man  
Make him fall in love  
No matter how thick your skin is  
Never thick enough

Someone that you can lean on  
When times are tough  
Maybe there's a reason  
Girl I don't know why

You get so sensitive sensitive sensitive  
When I touch it  
You get so sensitive sensitive sensitive  
And you love it yeah

You get so sensitive sensitive sensitive  
Sometimes I wonder 'cause  
Girl I don't know why you're not h.a.p.p.y

Maybe you came from outer space  
Maybe I can help you let go  
When you walk around the place  
All that I can hear is your echo

Babe I heard what you been saying  
And you know it isn't right  
Theres always something I'm not doing  
That wont keep you satisfied

Let's get it on and on and on and on  
Girl I don't know why you're not h.a.p.p.y

So you wanna find a real man  
Make him fall in love  
No matter how thick your skin is  
Never thick enough

Someone that you can lean on  
When times are tough  
Maybe there's a reason  
Girl I don't know why

You get so sensitive sensitive sensitive  
When I touch it  
You get so sensitive sensitive sensitive  
And you love it yeah

You get so sensitive sensitive sensitive  
Sometimes I wonder 'cause  
Girl I don't know why you're not h.a.p.p.y

Just finding reasons  
That I can make you happy happy  
Just finding reasons  
That I can make you happy at all  
Girl I don't know why

You get so sensitive sensitive sensitive  
When I touch it  
You get so sensitive sensitive sensitive  
And you love it yeah

You get so sensitive sensitive sensitive  
Sometimes I wonder 'cause  
Girl I don't know why you're not h.a.p.p.y
