

# Sexed Up

Robbie Williams

1. Loose lips on ships

I'm getting to grips with what you said  
Know it's not in my head  
I can a wake up the death  
day after day  
Why don't we talk about it  
Why you always doubt that there could be a better way  
It doesn't make me want to stay

R: Why don't we break up

There's nothing left to say  
I got my eye shut praying they won't stray  
Oh! When I sexed up  
That's what makes the difference today  
I hope you blow away (2x)

2. You said we're fatally flawed

When I'm easily bored Is that okay?  
Strike me off your list  
Made this the last kiss  
I'll walk away  
Why we'l talk about it  
I'm only here don't shout it, given time we'll forget  
Let's pretend we never meet

R: Why don't we break up...

Screw you I didn't like your taste  
Anyway, I chose you  
Let's all gone to wasted  
Saturday I'll go out and find another you

R: Why don't we break up...
