

# Something Beautiful

Robbie Williams

1. You can't manufacture a miracle  
The silence was pitiful - that day  
And love is getting too cynical  
Passion's just physical - these days

You analyse everyone you meet  
But get no sign - the loving kind  
Every night you admit defeat  
And cry yourself blind

R: If you can't wake up in the morning  
'Cause your bed lies vacant at night  
If you're lost, hurt, tired or lonely  
Can't control it - try as you might  
May you find that love that won't leave you  
May you find it by the end of the day  
You won't be lost, hurt, tired and lonely  
Something beautiful will come your way

2. The DJ said on the radio  
Life should be stereo - each day  
And the past that cast the unsuitable  
Instead of some kind of beautiful you just couldn't wait

All your friends think you're satisfied  
But they can't see your soul, no, no, no  
Forgot the time feeling petrified  
When they lived alone

R: If you can't wake up...

(It'll come your way) Some kind of beautiful  
(It'll come your way) Some kind of beautiful  
(It'll come your way) Some kind of beautiful  
(It'll come your way)

All your friends think you're satisfied  
But they can't see your soul, no, no, no  
Forgot the time feeling petrified  
When they lived alone

R: If you can't wake up in the morning  
'Cause your bed lies vacant at night  
If you're lost, hurt, tired or lonely  
Can't control it - try as you might  
May you find that love that won't leave you  
May you find it by the end of the day  
You won't be lost, hurt, tired and lonely  
Something beautiful will come your way  
You won't be lost, hurt, tired and lonely  
Something beautiful will come your way
