

# Strong

Robbie Williams

My breath smells of a thousand fags  
And when Im drunk I dance like me dad  
Ive started to dress a bit like him

Early morning when I wake up  
I look like kiss but without the make up  
And thats a good line to take it to  
The bridge

And you know and you know  
Cos my lifes a mess  
And Im trying to grow so before  
Im old Ill confess  
You think that Im strong youre wrong  
Youre wrong  
Ill sing my song my song my song

My beds full of takeaways and fantasies  
Of easy lays  
The pause buttons broke on my video  
And is this real cos I feel fake  
Oprah winfrey ricki lake  
Teach me things I dont need to know

And you know and you know  
Cos my lifes a mess  
And its starting to show so before  
Im old Ill confess  
You think that Im strong youre wrong  
Youre wrong  
Ill sing my song my song my song

If I did it all again Id be a nun  
The rain was never cold when I was young  
Im still young were still young  
Lifes too short to be afraid  
Step inside the sun

And you know and you know  
Cos my lifes a mess  
And Im trying to grow

And you know and you know  
Cos my lifes a mess  
And Im trying to grow

And you know and you know  
Cos my lifes a mess  
And Im trying to grow

You think that Im strong youre wrong  
Youre wrong  
Ill sing my song my song my song

You think that Im strong youre wrong  
Youre wrong  
Ill sing my song my song my song

Lifes too short to be afraid  
So take a pill to numb the pain  
You dont have to take the blame

Lifes too short to be afraid  
So take a pill to numb the pain  
You dont have to take the blame

Lifes too short to be afraid  
So take a pill to numb the pain  
You dont have to take the blame
