

Strong

Robbie Williams

My breath smells of a thousand fags
And when Im drunk I dance like me dad
Ive started to dress a bit like him

Early morning when I wake up
I look like kiss but without the make up
And thats a good line to take it to
The bridge

And you know and you know
Cos my lifes a mess
And Im trying to grow so before
Im old Ill confess
You think that Im strong youre wrong
Youre wrong
Ill sing my song my song my song

My beds full of takeaways and fantasies
Of easy lays
The pause buttons broke on my video
And is this real cos I feel fake
Oprah winfrey ricki lake
Teach me things I dont need to know

And you know and you know
Cos my lifes a mess
And its starting to show so before
Im old Ill confess
You think that Im strong youre wrong
Youre wrong
Ill sing my song my song my song

If I did it all again Id be a nun
The rain was never cold when I was young
Im still young were still young
Lifes too short to be afraid
Step inside the sun

And you know and you know
Cos my lifes a mess
And Im trying to grow

And you know and you know
Cos my lifes a mess
And Im trying to grow

And you know and you know
Cos my lifes a mess
And Im trying to grow

You think that Im strong youre wrong
Youre wrong
Ill sing my song my song my song

You think that Im strong youre wrong
Youre wrong
Ill sing my song my song my song

Lifes too short to be afraid
So take a pill to numb the pain
You dont have to take the blame

Lifes too short to be afraid
So take a pill to numb the pain
You dont have to take the blame

Lifes too short to be afraid
So take a pill to numb the pain
You dont have to take the blame
