

Supreme

Robbie Williams

1. Oh it seemed forever stopped today
All the lonely hearts in London
Caught a plane and flew away
and all the rest women are harried
All the handsome men are gay
You feel deprived
2. Yeah are you question your size?
Is There a tumour in your humour,
are there bags under your eyes?
Do you leave dents where you sit?
Are you getting on a bit?
Will your survive
You must survive

R: When there's no love in town
This new century keeps bringing you down
All the places you have been
Trying to find a love supreme
A love supreme

3. Oh what are you really looking for?
Another partner in your life to abuse and to adore?
Is it lovey dovey stuff,
Do you need a bit of rough?
Get on your knees
4. Yeah turn down the love songs that you hear
'Cause you can't avoid the sentiment
That echose in your ear
Saying love wil the pain
saying love will kil the fear
Do you believe
You must believe

R:

5. I spy with my little eze
Some thing beginning with (ah)
Got my back up
And now she's screaming so i've got to turn the track up
Sit back and watch the royalties stack up
I know this girl she likes to switch teams
And i'm a fiend but i'm living for a love supreme

R:

B: Come and live a love supreme
Don't let it get you down
Everybody lives for love (4x B:)
