

# Swing Supreme

Robbie Williams

Oh it seemed forever stopped today  
All the lonely hearts in London  
Caught a plane and flew away  
The best women are married  
The handsome men are gay  
You feel deprived

Yeah are you questioning your size?  
Is there a tumour in your humour,  
Are there bags under your eyes?  
Do you leave dents where you sit,  
Are you getting on a bit?  
Will you survive  
You must survive

When there's no love in town  
This new century is bringing you down  
All the places you have been  
Trying to find a love supreme  
A love supreme

Oh what are you really looking for?  
Another partner in your life to abuse and to adore?  
Is it lovey dovey stuff,  
Do you need a bit of rough?  
Get on your knees

Yeah turn down the love songs that you hear  
'Cause you can't avoid the sentiment  
That echoes in your ear  
Saying love will stop the pain  
Saying love will kill the fear  
Do you believe  
You must believe

When there's no love in town  
This new century is bringing you down  
All the places you have been  
Trying to find a love supreme  
A love supreme

When there's no love in town  
This new century is bringing you down  
All the places you have been  
Trying to find a love supreme  
A love supreme, a love supreme  
A love supreme

A love supreme
