

# The Pilot

Robbie Williams

Where's your head  
maladjusted  
There's no justice more or less  
That be it said  
Build on trust  
It's all there  
Since we must confess

Aaah  
Have I lost you yeah  
Aaah  
Have I lost you

Oh yeah  
Your love is the best  
fly me  
be the pilot

You can't be  
Just lost cold demon  
You can't be  
Just plain bad, come on  
You can't be  
Just lying in your bed  
Lying there alone  
It's not right babe

Aah  
Have I lost you yeah  
Aah  
Have I lost you

Oh yeah  
Your love is the best  
Fly me  
Be the pilot

Oh  
Whereever you may go  
Whatever you might do  
I will catch your fall  
I'll be there for you  
When you're feeling weak  
Not getting what you need  
I will make you see  
The love is best with me

We're unbeatable  
Yes, my heart beats the rhythm inside of your chest  
We're unbeatable  
Yes, your heart beats the rhythm inside of my chest  
Yes, my heart beats the rhythm inside of your chest  
We're unbeatable  
Yes, your heart beats the rhythm inside of my  
Che-eest

Oh, yeah

Your love  
fly me  
be the pilot

We're unbeatable  
Yes, my heart beats the rhythm inside of your chest  
We're unbeatable  
Yes, your heart beats the rhythm inside of my chest  
Yes, my heart beats the rhythm inside of your chest  
We're unbeatable  
Yes, your heart beats the rhythm inside of my  
Che-eest
