

## Work Song

Robert Calvert

You work all night  
And it's really frightening  
'Cause you're so ambitious

It's just a habit  
That you have to grab it  
You're avaricious

I know you'll make it  
But I just can't take it  
You're so ambitious

Nothing's ever going to make you stop  
Not even when you've made it to the top

You're a workaholic  
It's so hyperbolic  
You're so ambitious

You're so ambitious  
You're so ambitious  
For the road

You're a finance wizard  
A Stock Exchange lizard  
'Cause you're so ambitious

Always talking deals  
Turning cogs and wheels  
You're so ambitious

What has happened to the girl I knew?  
When you're rich and famous you'll just say we're through

You want a Rolls-Royce motor  
And an eighty-foot boat, oh  
You're so ambitious

Your satisfaction  
Is a new transaction  
'Cause you're so ambitious

Your excitation  
Is negotiation  
'Cause you're so ambitious

You want a house that's Georgian  
And ahead you're forgin'  
You're so ambitious

Nothing's ever going to make you stop  
Not even when you've made it to the top

You're so ambitious  
Am-ambitious  
You've got a pinstriped suit  
A polka-dot computer

You're so ambitious

Your calculator  
It says "see you later"  
Its voice sounds vicious

I know you'll make it  
But I just can't take it  
You're so ambitious

Nothing's ever going to make you stop  
Not even when you've made it to the top
