

# Anytime

Robert Cray

I could be the one  
That you talk to  
Anytime

I could you make you coffee  
Cream and sugar  
Anytime

Come to my house  
Sit by the window  
You'll always have someone to talk to  
Anytime

You can drop by  
Late at night  
Anytime

Come around here  
Early in the morning  
Anytime

I'm available today for you to see  
It's easy to forget the way?  
Love used to be

Some days I fold the towels  
Maybe I'll watch a game  
I'm not lonely, I'm doing ok, ya see  
I almost forgot her name

If you want to talk lost love  
I'm here  
Anytime

I read the paper on Sunday  
That takes about a week right there  
I never answer the telephone, see  
That way I'm never here

If you want to talk lost love I'm here  
Anytime

Mmmmmmm  
Mmmmmmm

If you want to talk lost love I'm here

I could be the one

Any?  
Anytime

We can sit by the window  
Yes we can

Talk about lost love

Love?
