

# Bad Influence

Robert Cray

You used me  
To get ya anything you wanted  
Oh...but I'm a changed man  
It's your other friend that gets ya what you want now

If I go through those same things again  
I'll be worse off than I started  
Oh...you're such a bad influence  
Baby, you've got ways to make me do what you want  
Oh...and you're such a bad influence  
Girl, I've got to stay away

I've been hurt  
In all of the worst kinds of ways  
And it's from you, pretty baby  
That Bob's just got to stay away from

I won't go through those same things again  
I'm so glad that we parted

Oh...you're such a bad influence  
Baby, you've got ways to make me do what you want  
Oh...and you're such a bad influence  
Girl, I've got to stay away

Somebody please  
You've got to help me break away  
You know I don't like this lonely feeling  
I wasn't meant to be this way

Oh no, I won't go through those same things again  
I'm so glad we parted, baby

Oh...you're such a bad influence  
And you've got ways to make me do what you want  
Oh...and you're such a bad influence  
And I've got to stay away from you

Oh...you're such a bad influence  
Baby, you've got ways to make me do what you want

I can't stand it  
Whoa...oh no no  
No, no, no  
No, no, no  
No, no, no  
Oh...no no no  
No, no, no
