

# I'll Go On

Robert Cray

Hey!

Now I've look for you everywhere  
But I can't find 'ya  
No, no, no

Last time I saw 'ya you were talking on the phone  
And after that you ran out the door  
And I'll go on  
Lovin' you

You might be at the neighbor's  
Cause you and her like to take tea once and a while  
You might have the car and gone over to Macy's  
Cause I know you're a little behind in style

And I'll go on  
Loving you  
Yeah  
Yeah, baby  
Hey

Why didn't you come home last night?  
Why did you not call me?  
When are you gonna come home and squeeze his man?  
Cause don't you know that I'm feelin' real lonely

And I'll go on, baby,  
Loving you

And I'll go on  
You know I'll go on, baby  
Lovin' you

Hey!!
