I'll Go On

Robert Cray

Hey! Now I've look for you everywhere But I can't find 'ya No, no, no Last time I saw 'ya you were talking on the phone And after that you ran out the door And I'll go on Lovin' you You might be at the neighbor's Cause you and her like to take tea once and a while You might have the car and gone over to Macy's Cause I know you're a little behind in style And I'll go on Loving you Yeah Yeah, baby Неу Why didn't you come home last night? Why did you not call me? When are you gonna come home and squeeze his man? Cause don't you know that I'm feelin' real lonely And I'll go on, baby, Loving you And I'll go on You know I'll go on, baby Lovin' you Hey!!
