You can give me an hour alone in a bank Pay all my tickets, wipe the slate blank You could buy me a car, fill up the tank Tell me a boat full of lawyers just sank But it ain't nothin' but a woman Nothin' but a woman, no, no Don't need nothin' but a woman Any time I'm feelin' low

Well, you could fly us to Dallas on a jumbo-jet plane If we run late and miss it, we can take the night train When the pressure is on, things getting insane Only one cure for that kind of strain

It ain't nothin' but a woman
Nothin' but a woman, no, no
Don't need nothin' but a woman, yeah, yeah
To get me through the show

Yeah, you can make me a bet, give me a ten-point spread Give me french brandy that will clear my head When it's all over, feeling half-dead Only one thing, just like I said

It ain't nothin' but a woman
Nothin' but a woman, yeah, yeah
Any time I got a woman
Things can't be too bad

You can buy me a house, turn over the deed Bring six pounds of California weed But my weakness ain't drugs, whiskey, or greed Only one thing that YOUNG BOB needs

It ain't nothin' but a woman
Nothin' but a woman
Yeah, you right
Ain't nothin' but a woman to get me through the night

Mmmmm

It's like I said, man
Ain't nothin' but a woman

Yeah, look at her

And that one over there
