

# Sadder Days

Robert Cray

We talked yesterday  
About us  
Maybe we could save  
What we lost  
Didn't have to say  
We were done  
Have my sadder days  
Just begun

I've had better days  
Than this one  
She just walked away  
I'm all alone  
Are there other ways  
Show me one  
Tell my sadder days  
They're all gone  
Tell my sadder days  
They're all gone

Oh, how can they be  
The most lonesome  
Longest days of the week  
Now, now I know  
There won't be a tomorrow  
Without you here

Oh, how can they be  
The most lonesome  
Longest days of the week  
Oh, now I know  
There won't be a tomorrow  
Without you here

I've had better days  
Than this one  
She just walked away  
I'm all alone  
Are there other ways  
Then show me one  
Tell my sadder days  
They're all gone  
Tell my sadder days  
They're all gone  
Tell my sadder days  
They're all gone
