

# Share What You've Got, Keep What You Need

Robert Cray

Mmmmmmm

I'd give a friend  
My very last dime  
And I'd leave my job to do a favor for 'ya  
Any time, oh yes I would

But I won't share my baby  
She's not part of a good deed  
Share what you've got  
Keep what you need

If you can't pay your rent  
Ohh, you're welcome to stay with me  
And you know that I'm your friend, man  
Well, I want to be  
Sure want to be

But hands off my baby  
She's my own little flower seed, yeah  
Share what you've got  
Keep what you need

Mmmmm  
I need my baby  
Ohhhh, I can't let her go, no, no  
Friend, don't you ask about my baby  
All I can tell you is no  
No, no, no, no, no

Share what you got  
You've got to share what you've got  
Mmmmm  
But hands off my baby  
No, no  
You can have anything, but ohhh not my baby

Mmmmm  
No, no  
No, no  
No, no, no  
Share what you've got  
Ohhhh, and keep what you need
