

# That's What I'll Do

Robert Cray

Used to be a time  
When I didn't care  
Oh, but now I'm changed, baby  
I want to get some aware  
And if that mean  
I got to leave you  
That's what I'll do  
That's what I'll do

You always pull me down  
When I try to stay up  
Oh, but that's not so fair, baby  
So please shut up

And if this means  
I got to leave you  
That's what I'll do  
That's what I'll do

You know it seems to me the things that you do  
Are all a big part of some game  
And you can bet if you keep on doing in, baby  
You'll be the only one that's playin'

So answer one question  
And please give it thought  
Have I done you wrong, baby?  
Oh, no no no, not a lot

And if that mean  
Oh, if it mean that I got to leave you, baby  
You can bet that's what I'll do

Oh that's what I'll do, baby  
I'm gonna leave you, baby  
That's what I'll do  
Oh, you can bet, baby  
Used to be a time  
But I've got to leave you, baby  
Oh, yeah I got to leave you, baby  
That's what I'll do  
That's what I'll do  
Love you, baby  
What I'll do  
Ohhhh, man  
I'll do  
I'll do, baby  
What I'll do
