

I Still Miss Someone

Robert Earl Keen

Out my door the leaves are falling
The cold wild wind will come
Sweethearts walk by together
But I still miss someone
I go out on a party
To look for a little fun
But I find a darkened corner
'Cause I still miss someone

Oh, I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there

I wonder if she's sorry
For leavin' what we'd begun
There's someone for me somewhere
But I still miss someone

Oh, I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there
