

## I Still Miss Someone

Robert Earl Keen

Out my door the leaves are falling  
The cold wild wind will come  
Sweethearts walk by together  
But I still miss someone  
I go out on a party  
To look for a little fun  
But I find a darkened corner  
'Cause I still miss someone

Oh, I never got over those blue eyes  
I see them everywhere  
I miss those arms that held me  
When all the love was there

I wonder if she's sorry  
For leavin' what we'd begun  
There's someone for me somewhere  
But I still miss someone

Oh, I never got over those blue eyes  
I see them everywhere  
I miss those arms that held me  
When all the love was there
