

That Buckin' Song

Robert Earl Keen

I had a horse
Named bad luck
She weren't good lookin'
But she sure could buck

Yahoo, hey hey
Yippee yi cy yey

I put my mama on her
She threw her in the air
My mama said son
That's a mother buckin' mare

Yahoo, hey hey
Yippee yi cy yey

Took her to the rodeo
She won second place
She was really buckin' good
In the buckin' barrel race

Yahoo, hey hey
Yippee yi cy yey

She won a thousand dollars
I put it in my hat
Bought a brand new saddle
She bucked me out of that

Yahoo, hey hey
Yippee yi cy yey

She bucked me on the
Pick-up truck
She bucked me on the fence
My daddy said
Son, you got no buckin' sense

Yahoo, hey hey
Yippee yi cy yey

So if you gotta buck
Don't ever buck around
That buckin' mother buck
Will buck you on the ground

Yahoo, hey hey
Yippee yi cy yey
