

Gonna Be Alright (F.T.B.)

Robert Glasper

Just we meet the sunshine with your smile
I'll be okay
No matter if the rain falls like you call
I'll be okay
Just meet me the sunshine with your smile
I'll be okay
No matter if the rain falls like you call
I'll be okay

It's gonna be alright, I know it's gonna be okay
It's gonna be alright, with you I know I'll be okay
It's gonna be alright, I know it's gonna be okay
It's gonna be alright, with you I know I'll be okay

Just we meet the sunshine with your smile
I'll be okay
No matter if the rain falls like you call
I'll be okay
Just meet me the sunshine with your smile
I'll be okay
No matter if the rain falls like you call
I'll be okay

It's gonna be alright, I know it's gonna be okay
It's gonna be alright, with you I know I'll be okay
It's gonna be alright, I know it's gonna be okay
It's gonna be alright, with you I know I'll be okay

Can be, I don't care
With you, it's gonna be alright
Give me, I don't care as long as I'm with you
I'm gonna be with you, I know it's gonna be okay

Be alright, be okay
Be alright
Okay
