

# Christmas Day

Robert Goulet

Christmas Day is here and so are we  
Time for children and presents  
And Christmas tree happiness

Christmas Day is all that it should be  
Lights and carols and holly  
And all kinds of loveliness

Christmas bells ringing out goodwill to men and peace on earth  
Ev'rything they taught you when you were a child  
The things a child once taught the world

If Christmas day is really in your heart  
You don't have to save up all your love to give once a year  
Learn to give, try to live each day like Christmas Day

(Christmas bells ringing out goodwill to men and peace on earth

(Ev'ry thing they taught you when you were a child)  
(The things a child once taught the world)

If Christmas day is really in your heart  
You don't have to save up all your love to give once a year  
Learn to give, try to live each day like Christmas Day
