

This Is All I Ask

Robert Goulet

As I approach the prime of my life I find I have the time of my
life

Learning to enjoy at my leisure all the simple pleasures

And so I happily concede this is all I ask this is all I need

Beautiful girl, walk a little slower when you walk by me

Lingering sunset, stay a little longer with the lonely sea

Children everywhere, when you shoot at bad men, shoot at me

Take me to that strange enchanted land grownups seldom understand

Wandering rainbows, leave a bit of color for my heart to own

Stars in the sky, make my wish come true before the night has fallen

And let the music play as long as there's a song for me to sing

And I will stay younger, oh I will be younger

Yes I will stay younger than spring
