## **Malted Milk**

## **Robert Johnson**

I keep drinkin' malted milk, try'n to drive my blues away
I keep drinkin' malted milk, try'n to drive my blues away
Baby, you just as welcome to my lovin', as the flowers is in Ma
y

Malted milk, malted milk, keep rushin' to my head
Malted milk, malted milk, keep rushin' to my head
And I have a funny, funny feelin', and I'm talkin' all out my head

Baby, fix me one more drink, and hug your daddy one more time Baby, fix me one more drink, and hug your daddy one more time Keep on stirrin' my malted milk mama, until I change my mind

My door knob keeps on turnin', it must be spooks around my bed My door knob keeps on turnin', must be spooks around my bed I have a warm, old feelin', and the hair risin' on my head
