

# When You Got A Good Friend

Robert Johnson

When you got a good friend, that will stay right by your side.  
When you got a good friend, that will stay right by your side  
Give her all of your spare time, love and treat her right

I mistreated my baby, and I can't see no reason why  
I mistreated my baby, but I can't see no reason why  
Every time I think about it, I just wring my hands and cry

Wonder could I bear apologize, or would she sympathize with me  
Mmm mmm mmm, would she sympathize with me  
She's a brown skin woman, just as sweet as a girl friend can be

Mmm mmm, babe, I may be right ay wrong  
Baby it's yo'why opinion, oh, I may be right ay wrong  
Watch your close friend, baby, then your enemies can't do no harm

When you got a good friend, that will stay right by your side  
When you got a good friend, that will stay right by your side  
Give her all of your spare time, love and treat her right
