

One and One

Robert Miles

The sky isn't always blue
The sun does not always shine
It's alright to fall apart sometimes

I am not always you
And you are not always mine
It's alright to fall apart, sometimes

After all is said and done
One and one still is one
When we cry, when we laugh
I am half, you are half

The heart isn't always true
And I am not always fine
We all have an angry heart, sometimes

After all is said and done
One and one still is one
When we cry, when we laugh
I am half, you are half

Look how far, we have come
One and one still is
One moon, one
One star, one star
I love the one we are
One thread, one thread, one line
Let's stand still in time

One moon, one
One star, one star
I love the one we are
One thread, one thread, one line
That runs through our lives

After all is said and done
One and one still is one
When we cry, when we laugh
I am half, you are half
Look how far, we have come
One and one still is one
Oohhhhh ooooh
